

## **Eastlake High School Boys and Girls Basketball Booster Clubs**

June, 2010

The Eastlake High School Boys and Girls Basketball Booster Clubs are currently seeking donations for our annual auction. For the first time ever, the teams are combining their efforts and are working together on this co-sponsored event! The families of over 250 players from 5<sup>th</sup> grade through high school, plus alumni and other community members, will be invited to our adults-only dinner and auction event held on October 16, 2010 at Mary Queen of Peace Church in Sammamish, WA. This is the primary fundraiser for both teams.

The Booster Clubs support the efforts of the Eastlake High School Boys and Girls Basketball programs. Funds raised will be used to offset the increasing costs of running competitive, inclusive basketball programs. The playing fees have more than tripled in recent years to \$275 per student. The booster clubs intend to continue to support the equipment, uniforms and travel needs of the teams, as well as offering scholarship assistance to students for whom the charges are a burden.

Eastlake Boys and Girls Basketball Booster Clubs are a non-profit 501(c)3 organization. Our tax ID is 77-0616862. The boys' team board of directors are: Larry Langsen (President), Andrea Lester, Mark Staudinger, Scott Nelson, Jeff Johnson and Anne Holmdahl. The girls' team board of directors are: Frank Mortenson (President), Karin Morrison, Jacque Coyan, Paula Sheehan and Denise Ainslie.

We appreciate any support you can offer to our programs this year. As a contributor, your business will be listed in our event guide and on our teams' websites as well. Thank you for your consideration. Go Eastlake Wolves!

Sincerely,

Anne Holmdahl
